CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

5. RE-ELECTION OF DIRECTORS

In accordance with the Articles, at each annual general meeting of the Company, one-third of the Directors for the time being shall retire from office by rotation but shall be eligible for re-election. The Board, having considered the recommendation of the Nomination Committee, is of the view that the re-election of the Retiring Directors is in the best interests of the Company and the Shareholders as a whole and taking into account the respective past and potential contributions of the Retiring Directors to the Board, recommended all of them to stand for re-election as Directors at the 2025 AGM.

9. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By order of the Board
Prosperous Printing Company Limited
Mr. Lam Sam Ming
Chairman and Executive Director

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 of the GEM Listing Rules, to provide you with the requisite information on whether to approve the grant of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 104,388,000 Shares. The Company did not have any Treasury Shares. Subject to the passing of the proposed resolution to grant the Repurchase Mandate and on the basis that no further Shares are allotted, issued or repurchased prior to the date of the AGM, the Directors would be allowed to repurchase a maximum of 20,877,600 Shares pursuant to the Repurchase Mandate (excluding any Treasury Shares).

2. REASON FOR REPURCHASES

The Directors believe that it would be in the best interests of the Company and the Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares pursuant to the Repurchase Mandate will be financed from the Company's internal resources.

Any repurchase by the Company must be funded out of funds legally available for the purpose in accordance with the Articles, the applicable laws and the GEM Listing Rules. Our Company may not repurchase the Shares for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Subject to compliance with the Listing Rules, the Articles of Association and the applicable laws of Hong Kong, the Company may cancel any Shares it repurchased and/or hold them as Treasury Shares following settlement of the repurchases, subject to, amongst others, market conditions and the Company's capital management needs at the relevant time of the repurchases.

The Company may hold Shares repurchased by the Company as Treasury Shares which remain deposited with CCASS either (i) pending withdrawal from CCASS and registration in the name of the Company or (ii) re-deposited into CCASS and pending resale on the Stock Exchange. For any Shares repurchased by the Company as Treasury Shares which remain deposited with or have been re-deposited into CCASS pending resale on the Stock Exchange, subject to the Directors' approval, the Company will adopt appropriate measures to ensure that it would not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the relevant registered in the Company's own name as Treasury Shares. Such measures may include, for example, an approval from the directors that (1) the company shall not and shall procure its broker not to, give any instructions to HKSCC to vote at general meetings for the Treasury Shares deposited with CCASS, and (2) in the case of dividends or distributions (if any), the Company shall withdraw the Treasury Shares from CCASS, and either re-register them in the Company's own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions (as applicable).

4. MATERIAL ADVERSE IMPACT

Taking into account the financial position of the Company as at 31 December 2024, the Directors have considered that it might have material adverse impact on the working capital or the gearing position of the Company in the event that the Repurchase Mandate were to be carried out in full during the Relevant Period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, to the best of the knowledge of the Directors and after having made all reasonable enquiries, none of the Directors or their associates have any present intention to sell any Shares to the Company under the Repurchase Mandate if it is granted by the Shareholders and is exercised.

As at the Latest Practicable Date, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is granted to the Directors.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable law and regulations from time to time in force.

7. CONSEQUENCES UNDER THE TAKEOVERS CODE

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) depending on the level of increase of our Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase.

Under the SFO, Mr. Lam Sam Ming ("**Mr. Lam**", the chairman of Company) is deemed to be interested in 48,000,000 Shares held by First Tech by reason of his 100% interest in its issued share capital, representing approximately 45.98% of the issued share capital of the Company as at the Latest Practicable Date.

In the event that the Directors should exercise in full the Repurchase Mandate, the interests of Mr. Lam, First Tech and their respective parties acting in concert (as defined in the Takeovers Code) in the Company would be increased to approximately 51.09% of the issued share capital of the Company, and such increase would give rise to an obligation to make a mandatory general offer under the Takeovers Code.

Save as disclosed above, the Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any repurchase of Shares pursuant to the Repurchase Mandate. At present, so far as is known to the Directors, save as disclosed above, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase the Shares pursuant to the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue.

8. SHARE PRICES

The highest and lowest prices of the Shares traded on the Stock Exchange in each of the previous twelve months and up to the Latest Practicable Date were as follows:
